IMPORTANT: Place numbers from the Miscellaneous Income and Expenditures Report in the proper cells of the Unspent Balance Projection Calculator (Unspent Authorized Budget Projection Worksheet), found on the DE website at School Finance Tools. Combining these numbers, the Special Education negative balance or excess positive balance, if any, and the numbers from the Department of Management's 'Unspent Authorized Budget Report', will provide the district with its unspent authorized budget balance (barring any adjustments) well in advance of the state notification that the district must appear before the SBRC if the unspent balance is negative. Gaining this knowledge as early as possible in the fiscal year will provide districts with information that will be valuable when planning for negotiations and making budgetary decisions. A district that finds it has incurred a negative unspent balance shall immediately notify the SBRC and proceed in the development of a corrective action plan. Information on content of the corrective action plan is available on the DE website at School

IMPORTANT: Place numbers from the Miscellaneous Income and Expenditures Report in the proper cells of the Unspent Balance Projection Calculator (Unspent Authorized Budget Projection Worksheet), found on the DE website at School Finance Tools. Combining these numbers, the Special Education negative balance or excess positive balance, if any, and the numbers from the Department of Management's 'Unspent Authorized Budget Report', will provide the district with its unspent authorized budget balance (barring any adjustments) well in advance of the state notification that the district must appear before the SBRC if the unspent balance is negative. Gaining this knowledge as early as possible in the fiscal year will provide districts with information that will be valuable when planning for negotiations and making budgetary decisions. A district that finds it has incurred a negative unspent balance shall immediately notify the SBRC and proceed in the development of a corrective action plan. Information on content of the corrective action plan is available on the DE website at School
